Education

BS, Hobart and William Smith Colleges, Chemistry with Honors, Geneva, NY.	1968
MD, University of Medicine and Dentistry of New Jersey, Newark, NJ.	1972
First Year General Surgery Residency, St. Joseph's Hospital, Syracuse, NY.	1972-73
Resident in Otorhinolaryngology and Facial Plastic and Reconstructive Surgery, University of Connecticut School of Medicine, Farmington, CT.	1973-76
Chief Resident in Otorhinolaryngology and Facial Plastic and Reconstructive Surgery, University of Connecticut School of Medicine, Farmington, CT.	1975-76

Board Certification

The American Board of Facial Plastic and Reconstructive Surgery	1991
Maintenance of Certification Examination	2007
The American Board of Otolaryngology	1976

Academic Appointments

Clinical Instructor in Facial Plastic and Reconstructive Surgery – Department of Surgery, The University of Connecticut Medical School, Farmington, CT.

Boards of Directors

The American Academy of Facial Plastic and Reconstructive Surgery , President-elect

Board of Directors, Executive Committee, The American Academy of Facial Plastic and Reconstructive Surgery

2112–

Treasurer-elect	2112-13
Treasurer	2113-16

Board of Directors, the Foundation of The American Academy of Facial Plastic and Reconstructive Surgery

2112–

Board of Directors, The American Academy of Facial Plastic and Reconstructive Surgery - Eastern Regional Representative

2004-08

Board of Directors, The American Board of Facial Plastic and Reconstructive Surgery

2006-12

Vice President 2015-

Senior Advisor 2012-

Credentials Committee Chair 2012-2018

Board of Directors, Founder, The New England Richard C. Webster Society for Facial Plastic Surgery.

Past Board Member the Massachusetts Society of Otolaryngology.

Past President Hampshire County Medical Society.

Past Medical Vice President, American Cancer Society, Hampshire County

Professional Experience

Private practice in Facial Plastic Surgery – Northampton, Easthampton, MA & Charleston, SC.

Office based surgery since 1977

Professional Memberships

Fellowships in the following societies:

American College of Surgeons

American Academy of Facial Plastic and Reconstructive Surgery

The American Academy of Facial Plastic and Reconstructive Surgery Committees:

The Many Faces of Giving Capitol Campaign, Co-Chair Membership Committee

The Public Relations Committee 2011-

The Strategic Development Committee – Chair 2009 – 2011, Senior Advisor

The Assessment, Feasibility, and Oversight Committee 2009 –

The Board of Directors 2002-2007

The Ethics Committee

The Continuing Education Committee

The Face to Face Committee (the committee on domestic violence and international outreach - pro bono work) 2012 -

The Exhibitors' Advisory Committee (outgoing chair, now senior advisor)

Ad Hoc Committee for Industry Relations

The 9th International Symposium on FPRS Executive Committee

The 9th Int'l Symposium on FPRS Exhibit Committee (Chair)

The Fellowship Review Committee 2013 –

The Audit Committee 2013 –

The American Board of Facial Plastic and Reconstructive Surgery

Vice President, 2015 -.

Senior Advisor to the Board, 2012 -.

The Board of Directors, 2006 – 2012.

The Credentials Committee – Chair 2012 - 2015

Oral Examiner

The European Academy of Facial Plastic Surgery -

American Academy of Otolaryngology and Head and Neck Surgery

Memberships in the following societies:

The New England Richard C. Webster Society for Facial Plastic Surgery

Founder, Incorporator, Board of Directors

Massachusetts Medical Society

Additional Professional Activities

FACE TO FACE — The National Domestic Violence Project – Participant since 1992.

(Members volunteer to help victims of domestic abuse who cannot afford to receive treatment for facial injuries. These efforts repair both physical and psychological scars and help women to regain self-esteem and begin to rebuild their lives.)

FACE TO FACE — International (Members travel all over the world to help individuals whose faces were damaged at birth, by disease or by war. In addition, AAFPRS members share their knowledge and the latest techniques in facial plastic surgery with their international colleagues. To date, it is estimated that AAFPRS FACE TO FACE volunteers have helped approximately one thousand people worldwide.).
